Wollemi Pine Schools Kit Order Form

The Wollemi Pine Schools Kit is a great classroom resource for environmental education in areas such as climate change, biodiversity and threatened species.

The Wollemi Pine Schools Kit consists of:

- A Wollemi Pine (30 cm tall, 100mm pot size), care instructions and a certificate of authenticity
- Teaching resources including a fact sheet, an A2 wall poster and DVD
- An eKidna Club story book for students
- a specially designed cardboard box to ensure its safety

Use this form if paying by cheque or credit card. Orders will not be processed until payment has been received.
